Message from the St Luke's Team

Following the success of Number Day, today we are considering Mental Health Week with many children choosing to wear purple to support the event.

Lockdown seems to be in the news again: school will follow the Risk Assessment we have in place until we receive government guidance on the impact of the new variant. We remain hopeful that the end of the school year may be more 'normal' than last year and although the PTA is helping to arrange end of year celebrations, please be mindful of cancellations at short notice.

Things to look out for... We recently sent a short parent questionnaire out about our RSE policy. Please look out for this as your responses will help us to develop our curriculum.

SPECIAL NEWS : What's going on at St Luke's

Number Day

We had such a 'Mathtastic day' last Friday celebrating Number day!

We dressed up in maths related outfits and costumes and took part in lots of fun games such as bowling, addition hunt, beat the teacher and match it. As part of our whole school assembly, we participated in the 'school show' Who wants to be a Mathionaire and we managed to answer all the questions correctly getting many points! The children and teachers had so much fun with maths and we have certainly learned to appreciate the maths that surrounds us in our daily lives.

Thank you to Mrs Amoiridou for organising the day and thank you all for making it such a success.

Polite reminder:

The English weather has been rather unpredictable this week. Please ensure the children have outerwear which can accommodate the unpredictability as we use the outdoors in all weathers. Thank you.
