

Maple Class

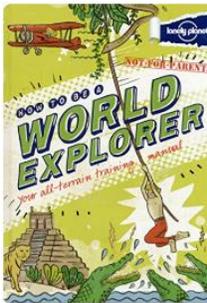

Autumn 1 2021

Teacher: Mrs H Yasmin

PE Day: Monday and Wednesday

Books to read with your child

- How to be a World Explorer by Lonely Planet
- Kensuke's Kingdom by Michael Morpurgo

English	The children will be looking at explanation text writing. They will be using the key text; 'How to be a World Explorer' and a range of other texts to identify the features of an explanation text. They will use their skills to create their own survival booklet on the Amazon Rainforest/Antarctica.
Maths	The children be focusing on place value. They will then use their knowledge to round numbers to the nearest 10s, 100s and 1000s. Thereafter they will move onto comparing and ordering numbers and learn more about negative numbers. They will continue to secure their times table and division knowledge.
Science	The children will be studying how the human body changes from birth to old age. They will learn about the changes that occur from conception, adolescence to old age. They will develop an understanding of changes to the muscles, bone structure and other physical changes. The children will also compare and contrast the different gestational periods of animals.
History	The children will have the opportunity to study a non-European society; Baghdad Ad900. They will be developing an understanding of The Islamic Golden Age and its contribution to western culture, which includes enhancement in mathematics, philosophy and astronomy.
Music	The children will be studying 'Livin' On A Prayer'. They will learn about the

	dimensions of music; rhythm, pitch and pulse of a song through games, singing and playing instruments.
PSHE	The children will be learning about managing change both in schools and outside school. This needs more pls you will be covering developmental changes for the RSE we missed last year- Daphne should help
Art	The children will consider how artists use a range of techniques to express themselves. They will focus on the different styles of brushwork demonstrated by Stubbs in Whistle jacket and by Munch in the Scream of Nature. They will go onto comparing the style of Rococo and Modernism.
DT	The children will be looking at different types of foods and what makes a balanced diet. They will explore whether healthy meals are really healthy. Children will develop their research skills regarding healthy eating and apply it to their lifestyle. They will design a balanced pasta dish.
PE	The children's PE focus will be split into Dance and Football. They will be practice key skills needed in football, such as dribbling, passing, shooting and intercepting skills. In Dance they will develop their own sequenced dance routine. The will focus on core strength, agility and co-ordination.
